Church Day Out

28th May, 10am - 8pm at Anglesey Abbey (CB25 9EJ)

Each year we gather together for a day out as a church family. It's a great time to build relationships and grow as a community. This event is one of the highlights of the year – having fun together, chilling out, spending time with friends, and meeting new people.

You are welcome to bring anyone you feel would enjoy the day. Food and drink will be provided, as will many activities and adventures for the kids!

Please book online so we know how many people to cater for: www.thetownchurch.org.uk/events. Or you can contact the church office.

What an impact!

During a brief spell of fine weather, teams from The Town Church volunteered to serve local residents in our 3 day community outreach event.

Teams cleared gardens for local residents and helped with various diy projects. There were also teams removing graffiti and painting fences.

The 3 day event culminated in a fun afternoon on the local green with free inflatables, candy floss, face painting and other activities. John and Carol served us so well by preparing all the food for the BBQ. Throughout the course of the afternoon 192 burgers, 80 hot dogs and 70 pies were served in all. There were over 300 adults and children on the green!

Residents expressed how grateful they were for the work done around the area. Jean said: "I am so grateful for all your hard work. I would never have got my garden looking so nice if it wasn't for you. Thanks again for your kindness."

Maggie enthused, "I am absolutely flabbergasted by the difference you've made with this amazing team. It's transformed my garden and we can actually now use it as a family. I am so grateful."

Another resident commented: "You've certainly made an impact in this neighbourhood. What they want to see is people doing something, not just talking about it."

It's been wonderful to see the church in action, serving the local community in so many practical ways. It really has been a huge success and dates have already been pencilled in for a similar event next year.

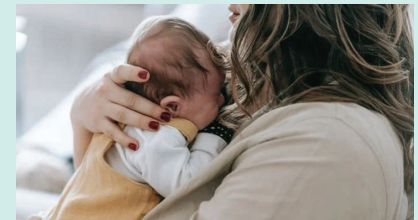

Foodbank update

We have seen a rise in the number of people using the foodbank in recent months. 1,216 food parcels have been supplied to people in crisis in our town so far this year. Thank you to everyone who has helped, we couldn't do this without you. Let's continue to be a blessing to those who are struggling in our local community.

More volunteers are needed for help in the warehouse and for making deliveries. If you would like to get involved, please contact the church office.

Congratulations!

We are pleased to announce the safe arrival of Libby and Phil's baby Grace. Mum and baby are doing well, and the family are grateful for all the prayers and support they've received.

We are in the process of setting up a meal rota for Libby and Phil, so if you would like to cook them a meal over the next few weeks, please contact the church office. Thank you!
